# 1 GENERAL OPERATIONS

---

## 1.1 GENERAL AIMS & OBJECTIVES

TESL Ontario Affiliate Chapters are local units of TESL Association of Ontario (hereafter referred to as “TESL Ontario” or “Association”) whose primary purpose is to provide professional development and networking opportunities for local members in their specific geographic area. In this way, the particular needs of regions can be addressed. TESL Ontario and its 12 Affiliate Chapters throughout Ontario have a common vision and priorities and in this way work jointly to serve TESL Ontario members.

TESL Ontario Affiliate Chapters currently in place are:

- TESL Durham
- TESL Hamilton-Wentworth
- TESL Kingston
- TESL London
- TESL Niagara
- TESL North York/York Region
- TESL Northern Region
- TESL Ottawa
- TESL Peel-Halton-Etobicoke
- TESL Toronto
- TESL Waterloo-Wellington
- TESL Windsor

20 or more members in good standing residing or working in the same geographical area of Ontario can form an Affiliate Chapter.

For further information about how to form an Affiliate Chapter, see the TESL Ontario by-laws posted under the “Our Organization” section of the website.

## 1.2 STRATEGIC PRIORITIES

The TESL Ontario Board of Directors produces a 3-year Strategic Priorities document for the association. It is the responsibility of each TESL Ontario Affiliate Chapter to help the association work towards these goals.

## 1.3 AFFILIATE CHAPTER ELECTION PROCEDURES

Affiliate Chapter Executive members are elected by their respective membership. Each Affiliate Chapter Executive is required to form a Nominations Committee that will seek and vet Affiliate Chapter Executive applications. An Expression of Interest template as well as a Candidate Assessment Matrix is available

from TESL Ontario that may be adapted by an Affiliate Chapter in order to identify the candidates most qualified to serve the specific needs of the Affiliate Chapter. Once the candidates have been identified and have been approved by each Affiliate Chapter Executive, they will be presented to the Affiliate Chapter membership for election or acclamation at their regular annual general meeting (AGM).

The number of members on an Affiliate Chapter Executive is flexible, depending on size of Chapter. A minimum of five and a maximum of 15 is suggested. TESL Ontario requires that all members of an Affiliate Chapter Executive be voted in by the local membership as “Members-at-Large”. The term of service will be for three years, with the possibility of re-election for an additional three years. In order to serve the second three-year term candidates must be re-elected by the local membership.

An Affiliate Chapter Executive as a whole are required, at their first meeting after the AGM election, to choose at least four Officers who will serve as Affiliate Chapter President, Affiliate Chapter Representative, Affiliate Chapter Treasurer and Affiliate Chapter Membership Secretary. Position Descriptions for the four positions are provided under section 1.3.1. In addition to these four core positions, the Affiliate Chapter Executive may choose other positions to serve on the Executive, such as Webmaster, Newsletter Editor, Communications Officer, etc., based on their specific needs. The four core officer positions are required to be chosen every year, but the same person may be chosen throughout his/her term for a specific core position in order to provide continuity.

#### **Affiliate Chapter Executive Members' Code of Conduct**

All Affiliate Chapter Executives commit themselves to ethical, businesslike and lawful conduct in running the affairs of the Affiliate Chapters.

1. Affiliate Chapter Executives must have loyalty not only to their individual Affiliate Chapter but also to TESL Ontario and its membership, and not in conflict with loyalties to individuals, other organizations, or any personal interest as a member.

2. Affiliate Chapter Executives must avoid conflict of interest or perception of conflict of interest with respect to their fiduciary responsibility. Please refer to the Conflict of Interest Guidelines in section 1.4.3.
3. Affiliate Chapter Executives may not attempt to exercise individual authority over the Affiliate Chapter.
4. Affiliate Chapter Executives will respect the confidentiality appropriate to issues of a sensitive nature.
5. Affiliate Chapter Executives will be properly prepared for Affiliate Chapter Executive meeting deliberations.
6. Affiliate Chapter Executives will support the legitimacy and authority of the final determination of the Affiliate Chapter Executive on any matter, irrespective of their own personal position on the issue.
  - (i) In the event of intermittent absenteeism in an Affiliate Chapter Executive's first three-year term where the Affiliate Chapter Executive has less than 75% attendance, this could be a factor in the review process if the person applies to run for a second term.
  - (ii) If less than 75% attendance occurs in the second term, the Affiliate Chapter Executive President would discuss it with the Affiliate Chapter Executive to ensure that attendance expectations are clear. This would also aid in identifying any extenuating circumstances or other issues that could be resolved one-on-one.
  - (iii) Two consecutive absences would not be treated as automatic resignation. The Affiliate Chapter President would discuss with the Executive member back-to-back absences that might be explained by illness or family considerations.
  - (iv) If an Affiliate Chapter Executive member is unable to commit to improving attendance but chooses to remain on the Affiliate Chapter Executive, the Affiliate Chapter President, after consultation with the full Affiliate Chapter Executive, has the right to ask the Executive member to resign.

### 1.4.3 Conflict of Interest Policy

TESL Ontario commits itself and its members to ethical, businesslike and lawful conduct, including proper use of authority and appropriate decorum when acting as Affiliate Chapter Executive members.

Whenever an Affiliate Chapter Executive member has a conflict of interest or perceived conflict of interest with the association or with any subject matter that may be discussed at any given board meeting, this conflict needs to be brought to the attention of the entire Affiliate Chapter Executive.

After identifying the issue, matter or transaction with respect to which a conflict exists, the Executive member shall withdraw from any further involvement in that issue, matter or transaction, unless a majority of the Affiliate Chapter Executive members determine that the conflict is:

- immaterial or not averse to the interests of the Association, or
- that the benefits of allowing the person with the conflict to participate in the discussion or consideration, but not the final decision, outweigh the dangers; in which case the person may participate in the study or consideration of the issue, but not the final discussion, decision or vote.

Each Affiliate Chapter Executive meeting agenda will make mention of Declaration of Conflict of Interest so the issue can be declared up front. The minutes of the meeting at which the disclosure of any conflict is made shall reflect that the disclosure was made and whether the person with the conflict withdrew after making full disclosure of the matter in question and the conflict, and was therefore not present for the final discussion of the matter and any vote thereon.

A conflict of interest exists when:

- any Affiliate Chapter Executive member, close relative, or employer of the Executive member, has an interest in an issue, matter or transaction in which the Association has an interest, or
- any Affiliate Chapter Executive member or close relative acts as an agent, representative or spokesperson for any person, business, group or organization, in order to influence the Association on any issue, matter or transaction.

An individual or an organization is deemed to have a conflict of interest if the individual (1) is an agent for a person or organization with an identified goal of influencing a decision made by the Affiliate Chapter Executive, or (2) would experience a material economic gain or loss from a decision made by the Affiliate Chapter Executive.

A "close relative" is defined as a spouse, a child, natural or adoptive parent, grandparent, grandchild or sibling. The term also includes any other family member who resides in the same household or shares living quarters with an Affiliate Chapter Executive member under circumstances that closely resemble a marital or partner relationship.

When an Affiliate Chapter Executive member finds himself or herself in a conflict of interest in any position with another organization, the TESL Ontario representative shall immediately notify the Affiliate Chapter Executive, and the Executive may appoint an alternative Affiliate Chapter member to represent the interests of the Affiliate Chapter in the proceedings.

In addition to the foregoing, Affiliate Chapter members should not:

- use inside information (i.e. information made available to them because of their position as an Executive member which is proprietary or confidential or otherwise not generally known to the public) for their personal advantage or that of any close relative, or

- accept any service, discount, concession, fee for advice or service, or thing of value from any person or organization with an interest in an issue, matter or transaction in which the Affiliate Chapter also has an economic interest under circumstances that would suggest an obligation on the part of the Affiliate Chapter member to exert any influence on the Affiliate Chapter Executive to enter into a transaction or adopt, alter or abolish any policy on a position.

## 1.5 CODE OF ETHICS

A code of ethics establishes the ethical principles governing professional conduct. It reflects the social mores of the time, and the values and moral principles up held as a collective.

An association’s code of ethics fosters a culture that inspires its members to uphold the integrity of their profession, recognize their ethical responsibilities, guide professional decisions, and promote public trust. The Code of Ethics for TESL Ontario Members encapsulates the core values that ground their professional practice. These values are respect, integrity, compassion, trust, and commitment to excellence.

The TESL Ontario Code of Ethics can be found on the TESL Ontario website under the “Our Organization” section.

## 2 FINANCIAL

---

### 2.1 AFFILIATE CHAPTER OPERATING DISBURSEMENT (REBATES)

The Affiliate Chapter Operating Disbursement is paid by TESL Ontario to all Affiliate Chapters in the first quarter in each calendar year.

The following Board decision is in effect with regard to Affiliate Chapter Operating Disbursement:

- Affiliate Chapter Operating Disbursements are calculated as 15% of the TESL Ontario net membership fee. The calculation is the same for the Student/Volunteer/Friends of TESL category as well.

A membership list for each Affiliate Chapter, used for the calculation of the operating disbursement, is mailed with the payment to the Affiliate Chapter Treasurer.

Affiliate Chapter Operating Disbursement funds must be spent on professional development or related activities such as covering travel cost for the affiliate presidents, representatives, membership secretaries and treasurers to attend the TESL Ontario conference and meetings during the conference, covering travel cost to attend other affiliate conferences, setting up bursaries.

## 2.2 AFFILIATE CHAPTER TREASURER REPORTS

Affiliate Chapter Treasurers are required to submit monthly financial reports to TESL Ontario during the fiscal year. The report for each month must be submitted by the last day of the following month by electronic or hard copies. A report template is provided. A reminder email to the Treasurers will be sent by the 20<sup>th</sup> of each month.

The monthly financial report must include the completed report template in excel format, the bank statement and the invoices/receipts for all expenses paid during the month. Electronic submission of the report to [operations@teslontario.org](mailto:operations@teslontario.org) is preferred.

Orientation and ongoing advice to Affiliate Chapter Treasurers is offered by the TESL Ontario Operations Manager through email, phone or in person.

## 2.3 AFFILIATE CHAPTER AUDITS

TESL Ontario's Auditor may select two Affiliate Chapters for audit at the end of the fiscal year.

The Affiliate Chapter Treasurer is required to be available to answer any auditor questions during the audit.

## 2.4 FISCAL RESPONSIBILITY

Affiliate Chapter Treasurers are responsible to oversee all financial activities of their Affiliate Chapter and assure that the Affiliate Chapter is in good shape financially.

TESL Ontario expects Affiliate Chapters not to run a deficit. Regarding the individual affiliate chapter conferences, the goal should be to break even or generate additional revenues over expenditures.

In the case of contract amounts exceeding 25% of the Affiliate Chapter's Operating Disbursement amount, the Affiliate Chapter must notify the TESL Ontario Head Office before signing the contract.

- accredited membership,
- standard membership, and
- student/volunteer/friends of TESL Ontario membership.

### 3.3 RECRUITING MEMBERSHIP

TESL Ontario Affiliate Chapters are responsible for promoting membership in TESL Ontario to non-members in the language training community, by identifying non-members at Affiliate Chapter events and providing them with information about membership benefits and services of TESL Ontario.

Membership brochures and accreditation information are available from TESL Ontario for this purpose. To request copies of the membership brochure, please contact the TESL Ontario Member Services Manager at [membership@teslontario.org](mailto:membership@teslontario.org).

To request TESL Ontario staff presence at an Affiliate Chapter event, please contact the TESL Ontario Member Services Manager at [membership@teslontario.org](mailto:membership@teslontario.org).

## 4 PROFESSIONAL DEVELOPMENT

---

### 4.1 PROGRAMMING POLICY

Affiliate Chapters are encouraged to offer local professional development (PD) opportunities for members. PD events should meet the requirements for qualified PD as outlined in section 4.2.

PD formats can include:

- conferences,
- professional development events,
- annual general meeting,
- online /webinar style events, and
- networking events

#### 4.1.1 Proof of Professional Development

Affiliate Chapters must provide proof of PD to all event participants in one of two forms:

- PD certificate – containing the type, name, date and hours of PD of the event as well as the name of the participant (Affiliate Chapter customizable PD certificate templates are available. To request a copy of the template, please contact the TESL Ontario Member Services Manager at [membership@teslontario.org](mailto:membership@teslontario.org)) or
- Event fees receipt, containing the type, name, date and hours of PD of the event as well as the name of the participant.

### 4.2 PROFESSIONAL DEVELOPMENT REQUIREMENTS

Ongoing professional development (PD) is an important aspect of TESL Ontario accreditation for many reasons. It stimulates the circulation of creative ideas, innovative techniques, and new research among TESL Ontario accredited instructors. A record of PD activities signifies the academic currency and depth embedded in accreditation and lends weight to TESL Ontario's advocacy of the recognition and regulation of professional standards for the "adult ESL instructor profession" in Ontario.

#### **PD Standard**

To be recognized as PD, an activity must meet the following criteria:

1. It will increase the participants' knowledge of the theories, methods, or techniques of teaching English as a second/foreign language or their knowledge of a subject closely related to TESL/TEFL such as principles of adult learning, classroom management, diversity training, culture, multiculturalism, assessment, and technology in the classroom,
2. It will augment participants' teaching English as a second language skills and classroom performance, and
3. It is above and beyond the day-to-day requirements of the applicant's professional duties. Therefore, an activity (or a component of an activity) the applicant is required to carry out as part of their daily professional responsibilities does not count towards the PD hours required for accreditation renewal.

TESL Ontario acknowledges that accredited members experience professional development regularly in the performance of their teaching responsibilities, and there are many valuable PD activities in which they may participate during work hours or personal time. The activities listed under “Activities Recognized as PD” on the TESL Ontario website are confined to those specific PD activities that can be used for the purposes of accreditation renewal.

#### 4.2.1 PD Carryover Policy

Please note that additional PD hours completed in any given accreditation year cannot be carried over to the following accreditation year, with the exception of those hours completed during the renewal month. PD hours during the renewal month can be considered either for the current accreditation year or the next accreditation year.

#### 4.2.2 Annual PD Audit Process

Approximately 10% of renewals due in every given month are randomly selected and receive a PD audit notice about a month prior to the renewal due date. The selected members will be required to submit (mail, fax, email, or deliver) their proof of PD by their accreditation expiry date to be eligible for accreditation renewal. A one-month grace period will be granted if the required PD is not submitted by the renewal due date. At the end of the grace period, accreditation will lapse if PD is still outstanding.

The following individuals are automatically exempt from PD audit selection process for the accreditation year/s when the recognized PD activity has been completed:

- TESL Ontario Board Members,
- members of the TESL Ontario working committees,
- members of the TESL Ontario Affiliate Chapter executive,
- accredited members who participated in the TESL Ontario conference for a minimum 10 hours, and

- accredited members who complete a PTCT course and apply to TESL Ontario for PTCT certificate of achievement.

### 4.3 NOTIFYING TESL ONTARIO OF PROFESSIONAL DEVELOPMENT EVENTS

It is important that TESL Ontario be notified of all upcoming Affiliate Chapter events. This information allows TESL Ontario to assist with the promotion of these events through posting on the main TESL Ontario events calendar, social media, member emails and newsletters. In addition, the information is provided in the TESL Ontario annual report.

#### 4.3.1 Upcoming Events

Affiliate Chapters are required to notify TESL Ontario of all upcoming professional development events, including the date, time, location and short description of the event so that the information can be put into the main TESL Ontario events calendar.

#### 4.3.2 Post Event Report

Affiliate Chapters are responsible for submitting a short post-event report to the TESL Ontario Member Services Manager containing a recap of the event, including the total number of attendees.

#### 4.3.3 Event Insurance Certificates

TESL Ontario will arrange for insurance certificates for all Affiliate Chapter events. To obtain an insurance certificate, please contact the TESL Ontario Office Manager at [administration@teslontario.org](mailto:administration@teslontario.org).

The guidelines noted below cover all external news media including broadcast, electronic, print, social media, the internal publications of school boards, colleges/universities, community centres, and the like.

### 5.3.1 Media / Public Relations Guidelines

2. If a reporter/editor wishes to write an article about a local region/area/chapter and/or about one of the award winners from an Affiliate Chapter, the TESL Ontario PR consultant will contact the Affiliate Chapter Representative or the individual Award winner and advise them of name and contact information of who will be calling, as well as the nature of story.

3. Since TESL Ontario does not have a paid media reporting service to alert us to any such mentions, especially in the case of internal publications, we appreciate your assistance in spotting these items.

## 5.4 TESL ONTARIO AFFILIATE CHAPTER LOGO USAGE

Each Affiliate Chapter received a customized version of the TESL Ontario logo in 2011 and was provided a three-year time frame with which to implement the new logos. The Affiliate Chapter logo must be present on all official communications from the Affiliate Chapter to its members, including email and letter communications. The logo must also be present on the Affiliate Chapter website and all social media accounts.

Each Affiliate Chapter must ensure that it is using the logo in accordance with the TESL Ontario corporate visual standards. The logo must not be altered in anyway.

## 7 COMPLIANCE RESPONSIBILITIES

---

### 7.1 CANADIAN ANTI-SPAM LEGISLATION (CASL)

On July 1, 2014, the Canada Anti-Spam Legislation (CASL) went into effect. CASL requires that senders of all commercial/promotional emails must obtain expressed consent of opt-in from their recipients prior to sending them emails.

TESL Ontario has the 'implied consent' of all TESL Ontario members as a result of our existing business relationship with the members, and, this 'implied consent' allows TESL Ontario and TESL Ontario Affiliate Chapters to send association/membership related electronic communications to members. However, renewing members will be asked to provide express consent upon their renewal each year to ensure that the organization is compliant should any of our electronic member communications be classified as marketing or promotional in nature. In addition, all new members will be asked to provide consent on their application forms.

The CASL legislation also requires that all organizations offer a method for individuals to opt-out of receiving electronic communications from the organization.

All TESL Ontario Affiliate Chapters are required to comply with the Canadian Anti-Spam Legislation in the following ways:

- must offer its members a way to opt out of receiving emails from the Affiliate Chapter.(This service is built into the Constant Contact email deployment program mentioned in section 5.1.2),
- must maintain a list of individuals who have requested to be removed from electronic communications lists and must ensure the individuals on that list are removed from any mass email to Affiliate Chapter members.(The Constant Contact email deployment program automatically manages any opt-out lists in this manner), and
- must not sell member email addresses to third party organizations.

## 7.2 ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES ACT (AODA)

The Accessibility for Ontarians with Disabilities Act, 2005 (AODA), is a law passed by the Ontario legislature that allows the government to develop specific standards of accessibility and to enforce them.

The purpose of the accessibility standards is to move organizations in Ontario forward on accessibility. The customer service standard is the first standard developed under the AODA.

The customer service standard applies to all organizations, both public and private, that provide goods or services either directly to the public or to other organizations in Ontario (third parties) and that have one or more employees in Ontario. The customer service standard requires providers to train staff on providing customer service to people with disabilities. Also, training must be provided to everyone who is involved in developing policies, practices and procedures on providing goods or services.

The law requires that all TESL Ontario Affiliate Chapters and their volunteers comply with the Accessibility for Ontarians with Disabilities Act by providing training to executive members who have not received training at their workplace. Also, volunteers who participate at Affiliate Chapter conferences and events need to be trained.

All TESL Ontario Affiliate Chapters are required to submit a proof of compliance with AODA that lists the names of all executive members with their signature attesting the completion of an AODA training.

All individuals who volunteer at an Affiliate Chapter event must receive AODA training. This can be accomplished by providing the AODA Training Tips document to the volunteers and having them sign an AODA training completion form attesting that they have read and understood the training document.

Send a request to the Operations Manager at [operations@teslontario.org](mailto:operations@teslontario.org) for a copy of the AODA Employer Handbook, the AODA Training Tips document, and the AODA training completion form.

### 7.3 RECORD KEEPING

Financial records and their related documents must be kept for a minimum of six years from the end of the last tax year to which they relate. The tax year is the fiscal period, which runs from April 1st to March 31st for TESL Ontario and its Affiliate Chapters.

All records of the minutes of meetings of the affiliate chapter executives should be kept during the lifetime of the Affiliate Chapter.

Membership lists may be discarded after one year.

Discarded documents should be shredded to protect the privacy of the members.
