

## **A Call for ESL Spell Volunteers**

**ESL Spell 2008** is looking for volunteers for this year's competition. After much success last year we have expanded our competition to include more contestants.

We are looking for volunteers to help the organizing committee with planning and in particular to help on the evenings of the competitions. For complete information about the competition, look at the TESL Toronto web site at [www.tesltoronto.org](http://www.tesltoronto.org) and click events.

Some of the volunteer duties will include: calling the contestants, setting up the room on the night of the competitions, greeting and registering contestants and guests, giving directions and ushering at either the Toronto Star building or at Toronto City Hall.

A mandatory orientation meeting for all volunteers will be held in early October. At this meeting we will outline the different jobs and the job descriptions. You will have an opportunity to sign up for the volunteer job that best suits you and your time table. If you are interested please send your name and e-mail address to [esl.spell@gmail.com](mailto:esl.spell@gmail.com).

We look forward to hearing from you!

Sincerely,  
Anne MacGregor-O'Neill  
Volunteer Coordinator ESL Spell 2008
