

**TESL Toronto** would like to pay tribute to Clayton Graves, who passed away suddenly in May 2010. Clayton was a long standing member of TESL Toronto and the TESL Toronto Executive. He was a charismatic and dedicated executive member, and those who worked with him in his role as the TESL Toronto Newsletter Coordinator agree that he was a dedicated and passionate editor. He will be greatly missed.

We are asking you, our membership, to contribute any memories you would like to share about Clayton, and these will be featured in TESL Toronto's upcoming newsletter. If you have a story, photo or memory you would like to share, please send it to our email address: [info@tesltoronto.org](mailto:info@tesltoronto.org)

In addition, donations to a tribute concert in Clayton's memory can be sent to:
