

Accredited CTESOL Training Programs for CTESOL Certification

A CTESOL program consists of 120 hours of training (90-100 instructional hours, at least 10 hours of observation, and at least 10 hours of supervised practice teaching).

Graduates of accredited CTESOL programs are eligible to apply for the TESL Ontario CTESOL Certification and Professional Designation provided that they meet the university degree and English language proficiency requirements of the TESL Ontario certification application.

For information about training providers admission requirements, registration dates, start/end dates, weekly schedule, tuition fee, financial assistance, etc., please contact them directly.
