Post TESL Certificate Training (PTCT) Course Approval
Application Process and Requirements

Introduction
With funding from Citizenship and Immigration Canada, Ontario Region, TESL Ontario has designed a Framework for Post TESL Certificate Training (PTCT) recommending standards for and recognition of Post TESL Certificate Training. PTCT training will offer instructors an opportunity to extend their knowledge in content areas identified as high priority through Ontario-wide consultation. The Framework standards will ensure that the training design and delivery are of a consistently high quality and relevant to the classrooms of government-funded language training instructors in Ontario.

This application guide is for training providers wishing to have their training course/s be approved by TESL Ontario as Post TESL Certificate Training (PTCT) for LINC and ESL instructors in Ontario. Applicants will receive a written decision from TESL Ontario in a maximum of eight weeks from the date the application is received. Also, applicants have the right to appeal TESL Ontario’s decision to the Appeals Committee for an additional fee in 30 calendar days from the date TESL Ontario’s decision is announced. Please note that the PTCT Course Approval is an annual renewal.

Please be aware that instructors who will be teaching your PTCT course must hold a valid (new or renewed) TESL Ontario TESL Trainer Certificate of Approval for the PTCT content area your course will address. For information about PTCT Instructor certification process and requirements, please visit our website at https://www.teslontario.org/accreditation/trainer.

If you have any questions about PTCT Course Approval, please contact TESL Ontario at accreditation@teslontario.org or at 416-593-4243, ext. 205.

Initial Considerations

A. PTCT Priority Content Areas: Currently, TESL Ontario accepts PTCT Course Approval applications only for the following content areas:

- Developing curriculum
- Designing and developing teaching materials
- Assessing learner needs
- Teaching multilevel classes
- Teaching English for Academic Purposes (EAP)
• Occupation specific language instruction
• Using Canadian Language Benchmarks
• Special Needs
• Teaching Literacy

B. Standards for Quality PTCT Training: In order to be accredited as PTCT, all training courses must meet the following seven standards:

1. PTCT is outcomes based and includes assessment of change in the professional knowledge and skills of participants.
1.1. Each PTCT course states its expected outcomes clearly and accurately.
1.2. Assignments (and quizzes and exams, if any) are graded according to a rubric of specified learning criteria and a grading scheme which are shared with the course participants at the beginning of the training.
1.3. Participants must attend a minimum of 80% of the training to be eligible for graduation.
1.4. PTCT requires graded assignments of more than one type.
1.5. In order to effectively address the outcomes and assignments, instructional time will consist of a minimum of 25 hours. In online training, this must include some portion of time devoted to synchronous discussions where the trainer is moderator.

2. PTCT connects theoretical knowledge and/or current research related to specific content with practical application of that knowledge in language training programs.
2.1. Training draws on material that addresses theory and/or current research relevant to the content area.
2.2. Training includes at least one graded assignment that facilitates the application of theory or current research to practice.

3. PTCT includes the direct application of learning to the classroom.
3.1. At least one of the graded assignments appraises the participant’s ability to apply knowledge and skills gained during training to classroom practice.
3.2. Training provides participants with options that allow them to customize the graded assignment assessing the application of learning in training to their own employment context and resources.

4. PTCT promotes professional reflection and development.
4.1. Training includes tasks that require participants to engage in reflection on their professional practice and the learning experiences provided in the training.
4.2. Training includes adequate flexibility in the range of assignments and tasks to allow participants to build on and apply individual priorities and goals.
4.3. Participants are provided with an annotated list of recommended resources that will allow them to pursue their areas of interest related to the content after training ends.
5. PTCT supports the development of a community of practice.
5.1. Training facilitates collaborative learning.
5.2. Training includes tasks that help participants develop strategies to continue to build their own community of practice after training ends.

6. PTCT reflects the current needs of instructors teaching adults in English as a second language training programs in Ontario.
6.1. Training has been developed with the input of both experienced English as a second language instructors, and content experts other than those who will be developing and delivering the training.
6.2. Training tasks are applicable to the classroom context and conditions of adult English as a second language training in Ontario.
6.3. Training incorporates content material that is relevant to adult English as a second language training in Ontario.

7. PTCT course instructors hold a valid (new or renewed) TESL Ontario TESL Trainer Certificate of Accreditation for the specific content area of the PTCT course.
